

Landmarks Commission,

First of all thank you for your time.

I cant stress how important it is to save existing structures for history in the downtown area! We are trying to save the wood from any more damage to windows from the elements of weather on this building, so im asking for your permission to go ahead with wrapping the following windows as listed in our format.

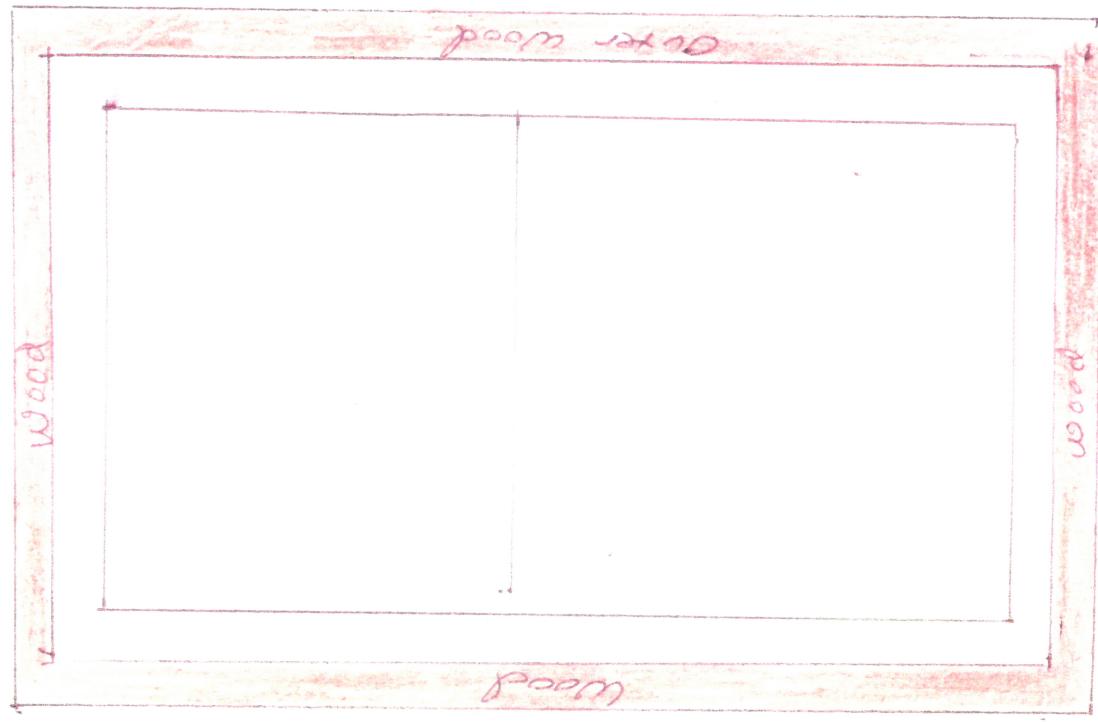

Again, I thank you for your
time!

Linda Schulte
acting on Behalf of
Doris Schnapske
owner of
Club Liquor

Please put on Agenda For
Meeting!!

Wed Oct. 13th 4:30
